

Guide to TIA Industry Standards: TIA Open Projects

Area	Document type	Document identification	Ballot identification, dates	Sub-committee	Description
Commercial building telecommunications cabling	Revision	"TIA/EIA-568-C"	PN-xxxx (C.0) PN-xxxx (C.1) PN-xxxx (C.2) PN-xxxx (C.3)	TR-42	.0: Generic .1: Commercial .2: Balanced .3: Optical fiber
	New standard	TIA-568-C.0	SP-3-0177 5 th industry default ballot pending	TR-42.1	Generic premises cabling: requirements applicable to all types of premises
	Revision	TIA-568-C.1	SP-3-4425-RV3 5 th industry default ballot pending	TR-42.1	Commercial premises cabling: requirements specific to "commercial" premises see "C.0"
Data center cabling	Addendum	TIA-942-1	PN-3-0092-AD1 Approved for publication	TR-42.1	Include type "735" and "736" coaxial cabling
Telecommunications copper cabling components	Revision	TIA-568-C.2	PN-3- 4425-RV3 1 st committee ballot closes 3/17/08	TR-42.7	Balanced cabling components (and channels)
	Addendum	TIA-568-B.2-10	PN-3-4426-AD10 Approved for Publication February 2008	TR-42.7	Augmented cat6
Telecommunications optical fiber cabling components	Revision	TIA-568-C.3	SP-3-3894-RV3 Approved for publication February 2008	TR-42.7	Optical fiber cabling components (and channels)
Telecommunications infrastructure administration	Addendum	TIA/EIA-606-A-1	SP-3-4156-AD1 3 rd committee ballot closed January 2008. New ballot pending.	TR-42.6	Data center admin
Industrial cabling	STANDARD	TIA-1005	SP-3-4822 8 th industry ballot closed January 2008.	TR-42.9	Industrial cabling including new environmental requirements
Residential building cabling	Addendum	TIA-570B-1	3 rd industry ballot closed December 2007	TR-42.2	Add coax cabling channels

Area	Document type	Document identification	Ballot identification, dates	Sub-committee	Description
Pathways and Spaces	Standard	TIA-1005	Awaiting new ballot	TR-42.3	Liaison with TIA-1005 to provide pathways and spaces contribution
	Revision	569C	Planned	TR-42-3	Revision to Pathways and Spaces document
Telecommunications infrastructure terms	Library	Glossary	Ongoing	TR-42.5	Common terminology
Telecommunications infrastructure terms	Library	Symbols	Ongoing	TR-42.5	Common symbols
Telecommunications infrastructure terms	Library	Metrification	Ongoing	TR-42.5	Metric conversion
